Admission Suspension Notification.

It is to inform you that the admission of the following students for session 2021-22 has been temporarily suspended because of any of the reason /reasons mentioned in their admission suspension letter . In spite of the repeated messages /reminders though the messaging system & mobile application regarding the issue they didn't bother to attend the college /office of the Principal ,as such the concerned students are advised to collect their admission suspension letters from the office of our Assistant Registrar / Student Advisor by or before 13/09/2022 and explain your position accordingly.
